<u>**Dr. Treat Website Demo**</u>

Introduction:

Hello everyone, and welcome to our in-class demo of the Dr. Treat Website! We have designed this platform to simplify the process of making appointments with veterinarians for your beloved pets. Today, we will walk you through the top three key features of our design: resetting passwords, messaging veterinarians, and scheduling appointments. Let's dive right in!

Key Features:
1. Logging in / Resetting Passwords
2. Sending Messages to Vets
3. Making Appointments with Vets

Feature 1: Resetting Passwords

1. Let's start with a common scenario: you've forgotten your password. Don't worry! Our website has a simple and secure password reset feature.
2. On the login page, click on the "Forgot Password?" link below the login form.
3. You will be redirected to the password reset page. Here, you'll need to enter the email address associated with your account.
4. Click on the "Reset Password" button. A password reset link will be sent to your email inbox.
5. A confirmation page will appear, informing you to check your email for instructions on resetting your password.
6. In case you remember your password, simply click on "Back to Sign In" and proceed to log in using your current password.

Feature 2: Sending Messages to Veterinarians

1. Once you are logged in, navigate to the "Message Hub" page using the main menu.
2. Browse through the list of available veterinarians and click on the "Message" button to initiate a conversation.
3. A messaging window will appear, allowing you to type and send your message directly to the doctor.
4. Once the doctor replies, you will receive a notification and can continue the conversation within the same messaging window.

Feature 3: Making Appointments with Doctors

1. After discussing your pet's needs with the doctor, you may want to schedule an appointment.
2. To schedule an appointment, navigate to the "Appointments" page.
3. You will be presented with the doctor's available time slots. Select a date and time that works best for you.

4. Confirm your appointment by clicking on the "Confirm Appointment" button.
5. Congratulations! Your appointment has been successfully scheduled. You will receive a confirmation email with all the necessary details.

Conclusion:
Thank you for joining us for this demo of the Dr. Treat Website! We hope that these features will help pet owners easily connect with veterinarians and ensure the best care for their furry friends. If you have any questions or suggestions, please feel free to reach out to our team.
